

LIMITED TIME

OFFER

Expand your Capabilities Tektronix 2 Series MSO

Unlock more space on your bench without compromising performance. At only 40 mm thin and weighing less than 2 kg, the **2 Series MSO** is a **full-featured, real-time touchscreen** oscilloscope in a compact, portable form factor that feels like a tablet.

On the benchtop, in the classroom, or to the field, take it wherever your measurement challenges take you.

Now you can do more!

Order **a new 100MHz or higher bandwidth model** and **receive one FREE option!**

Claim your FREE option!
Purchase MS022 or MS024 with 100MHz or higher bandwidth.
